### Table notes

# Figure in brackets refers to data from separate joint-programme for schools with more than one programme ranked. †Salary increase from graduation. ‡ Data are provided for information only. Most recently published data are given \*School was ranked outside the final ranking table in 2017. \*\*School participated in this ranking on the basis of a joint programme only. Underlying score based on proportion of total score. The heavier horizontal lines denote the pattern of clustering among the schools, based on significant differences in ranking scores. Around 200 points separate London Business School at the top from the school ranked number 95. The top 12 business schools, from LBS to University of Oxford: Saïd form the top group. The second group is headed by ESCP Europe include 68 schools. The remaining 15 schools in the third group are headed by La Rochelle Business School.
